GOVERNMENT'S MOTION FOR BRIEF EXTENSION OF TIME
(Assented to)

In the Joint Statement filed on February 21, 2007 and adopted by the Court as an Order on February 22, 2007, the United States proposed to file a memorandum regarding the value of the sailboat in this case on March 20, 2007.

Recently, the undersigned counsel has been involved in an unexpected briefing regarding the applicability of a mandatory minimum sentence for a criminal defendant in another case. The undersigned therefore anticipates that completion and review of the instant brief will not be completed by March 20. The undersigned has conferred with counsel for Claimant, who has assented to an extension of time until March 23, 2007 for filing of the brief.

Accordingly, the United States respectfully moves that the Court extend the deadline of March 20 to March 23, 2007.

Respectfully submitted,

MICHAEL J. SULLIVAN
United States Attorney
